School Accountability Report Card Reported Using Data from the 2018—19 School Year

California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019—20)

Yu Ming is a tuition-free, K-8 public charter school open to all California residents authorized by the Alameda County Board of Education. Yu Ming is a top performing elementary and middle school in the district, county, and state, where students graduate bilingual and biliterate in Mandarin Chinese and English.

Our Mission

As a leader in Mandarin Immersion education, we nurture our inclusive and diverse community to become empowered, engaged, and outstanding global citizens.

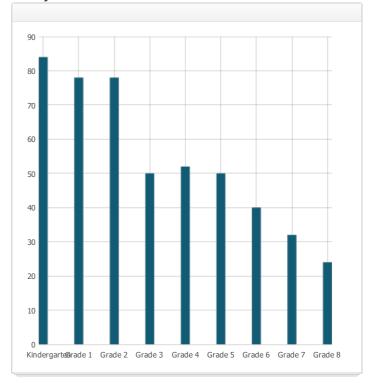

At Yu Ming, we unlock each student's unique potential and nurture the necessary skills, mindsets, and values to make a positive impact in the world, by anchoring our model on four pillars: Academic Excellence, Mandarin Immersion Leadership, Whole Child Education, and Diverse, Equitable, and Inclusive Community.

Yu Ming follows a full-immersion model of instruction. In Kindergarten to Grade 2, 90 percent of instruction is in Mandarin Chinese and 10 percent is in English. The mix changes to 70 percent Mandarin Chinese and 30 percent English in grades 3 and 4. Grades 5 and 6 have a 50-50 split in Mandarin Chinese and English. Students in grades 7 and 8 will have the option of maintaining the even split or changing to a 30/70 Mandarin Chinese/English mix.

We personalize learning for students to reach their greatest potential, foster bilingual global citizens, balance rigorous academics with social-emotional learning, and build a community that embraces diversity and values our collective humanity.

School Facility Conditions and Planned Improvements

Yu Ming Charter School operated at two different school sites during the 2018-2019 school year.

The Lower School campus provided eleven classrooms along with a playground, a garden, indoor and outdoor eating space and blacktop area for our Kindergarten through second grade students.

The Upper School campus provided twelve classrooms along with blacktop area and cafeteria for our third through eighth grade students.

The school grounds, restrooms, and buildings for both sites are in good repair and well maintained. Between two day custodians and a night custodian, both campuses are fully cleaned daily. Any issues that arise during the school day are communicated to the appropriate personnel to ensure that emergency repairs are given highest priority. Additionally, our facilities committee works continuously throughout the year to ensure a clean and safe environment.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	89.0%	94.0%	35.0%	36.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

· Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

Yu Ming recognizes that children learn best when parents are engaged in their education by understanding the school's education program, supporting learning at home and being involved in the school community. We work with families in authentic, mutually beneficial ways, and value parents as partners in the educational process, and provide families with tools and resources to support learning outside of school.

To encourage participation of parents, guardians and extended family members in all aspects of school life, Yu Ming features:

Multiple Methods of Communication: Yu Ming utilizes various methods to communicate with staff, students, and parents including, but not limited to our website, weekly newsletters, weekly classroom updates, email, social media, correspondence sent home with students, parent conferences, videos, student presentations of learning, outreach events, and other family meetings.

Family Leadership and Participation in Decision-Making: Families participate in school decision-making in a wide variety of ways. The Family Support Organization Council is led by two co-chairs that work closely with the Head of School and Principal advising on programs that impact families and is comprised of Parent Committee Leads. These committees also provide many opportunities for involvement in the life of the school community. Two members of the Board of Directors are elected by the parents and guardians of Yu Ming students. Family members with relevant experience or expertise serve as members of Board committees as determined by the Committee Chair.

Family Resource Liaison: Yu Ming provides intensive family support through a Family Resource Liaison staff member who shares school and community resources, develops workshops and guidance to help meet families' needs and enable all families to fully participate in their students' learning and academic success on a daily basis. Parents communicate with school staff via email, telephone, and in-person. Parents have access to teachers' websites and email. Our Family Liaison is Yu-Shuan Tarango-Sho and can be contacted at ysho@yumingschool.org or 510-452-2063.

Opportunities to Provide Feedback: Each fall and spring, families have the opportunity to provide anonymous feedback through a school engagement survey. The survey results are reviewed by the Charter School Board of Directors, leadership team, and staff, and are considered in setting school priorities.

Volunteer Opportunities: Yu Ming provides a variety of in-school and out-of-school volunteer opportunities to match with family members' different skills, interests and schedules. Examples include helping in classrooms, at lunch or around school, leading extra-curricular activities, coaching sports teams, assisting with event planning and materials preparation, attending field trips, attending FSO meetings, serving on parent committees or as room parents and fundraising or assisting with fundraising drives.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

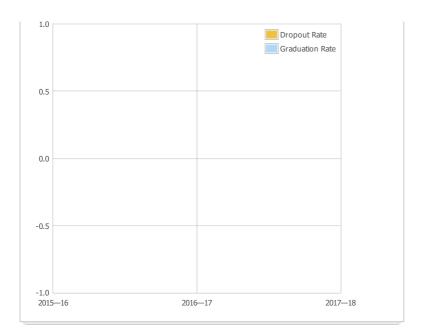

- High school dropout rates; and
- High school graduation rates

School Safety Plan (School Year 2019—20)

Yu Ming has a Comprehensive School Safety Plan in compliance with Education Code Sections 35294-35297. The plan was last reviewed, updated and approved by School Leadership Team, the Board, Family Support Organization Council (school-site council), and Law Enforcement Agency (local police department), a faculty representative and a student representative on January 24, 2019. Our safety plan includes emergency response procedures, procedures for safe entry and exit, and incorporates our Family Handbook and Employee Handbook, which address disciplinary procedures, sexual harassment, child abuse reporting, and school dress codes. Staff are regularly trained on the Plan, including at the beginning of the school year and during subsequent school-wide drills and staff trainings throughout the year. All staff receive a paper copy of our Employee Handbook and receive training on relevant procedures prior to the first day of school including child-abuse reporting procedures. This preparation includes a emergency drills following the identified disaster preparedness plan and designated site emergency roles. Adult supervision is provided on campus between 7:45am and 6:00pm. Students arriving to school before the start of the school day or staying after dismissal take part in our before and after school Extended Care Program. All visitors and volunteers must sign in at the main office.

Types of Services Funded (Fiscal Year 2018—19)

Yu Ming Charter School is dedicated to ensuring student success, and in the 2018-2019 school year we implemented a variety of services in order to support our students.

To provide an academically rigorous, common core aligned college preparatory program:

- 1. Yu-Ming Charter School employed a total of 20 teachers that are appropriately credentialed and assigned.
- 2. All students accessed a common core aligned curriculum. The following curriculum & instructional materials were purchased: Chinese Language Arts, Writing Curriculum, Leveled books for Readers Workshop (both languages), Amplify Science Curriculum & Materials, Content Literature connected to Social Sciences, Math Manipulatives, Music & Instruments, Art Course Materials, PE Equipment
- 3. All teachers participated in the following Professional Development: Readers/Writers Workshop, Oral language development, Interactive Read-alouds, Social language to academic language, Chinese Language development, Responsive Classroom, Personalized Learning, Differentiation, Cycles of Inquiry, Data-Driven/Targeted Instruction, Summit Platform, Leveled Libraries, adopted curriculum, Culturally Responsive Teaching, Math Instruction, American Council on the Teaching of Foreign Languages (ACTFL) Proficiency Guidelines, Yu Ming Immersion Model, Parent Communication, Understanding and Managing Challenging Behaviors, Social and Emotional skills development

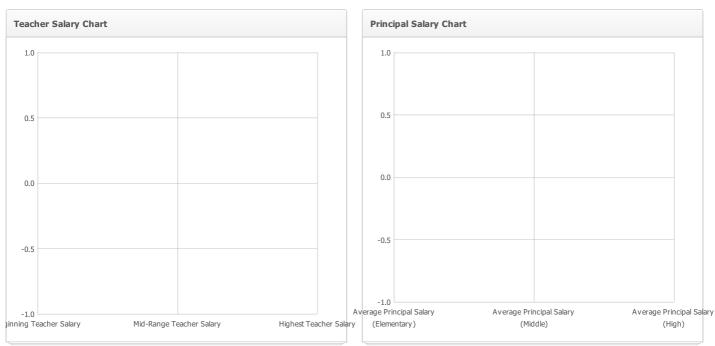

To graduate students with bilingual and bi-literate skills in Mandarin Chinese:

- 1. All teachers were provided with professional development as outlined above.
- 2. Teacher Leaders were dedicated to coordinate mandarin curriculum materials and assessments, provide coaching to teachers, observe classroom instruction and provide feedback.
- 3. Teaching Interns from Taiwan were hired along with a Chinese Teaching Assistant, a Chinese Resource Teacher, and an English Teaching Assistant.
- 4. The STAMP assessment was administered in grades 2, 4, 6 and 8.
- To support the academic and personal success of all learners to be community minded, diligent and independent learners with intellectual curiosity and a growth mindset:
- 1. A Student Support Services Team included a Special Education Director, a Resource Teacher, Speech Language Pathologist, Behavior Intervention Aides, and School Counselors to ensure Individualized Education Plans (IEP) were supported. In addition the school maintained contracts with third party partners in order to provide additional services such as Occupational Therapy, Psychological Assessments, and Behavior Intervention coaching.
- 2. A school-wide Positive Behavior and Intervention System (PBIS) supported the social emotional skill building and support for all students and a Response to Intervention process supported students with additional academic and/or behavior needs.
- 3. Teachers engaged in Social Emotional Learning professional learning opportunities including training in Responsive Classroom, Summit Habits of Success, and Compass. All Yu Ming students participated in weekly Circles and community meetings.
- 4. Equity Design Strategy Team (comprised of various stakeholders including Board Members, school leadership, staff, and parent leaders) met 6 times this year to develop an Equity Vision Statement and action pillars.
