School Accountability Report Card Reported Using Data from the 2019–2020 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Our Mission

As a leader in Mandarin Immersion education, we nurture our inclusive and diverse community to become empowered, engaged, and outstanding global citizens.

At Yu Ming, we unlock each student's unique potential and nurture the necessary skills, mindsets, and values to make a positive impact in the world, by anchoring our model on four pillars: Academic Excellence, Mandarin Immersion Leadership, Whole Child Education, and Diverse, Equitable, and Inclusive Community.

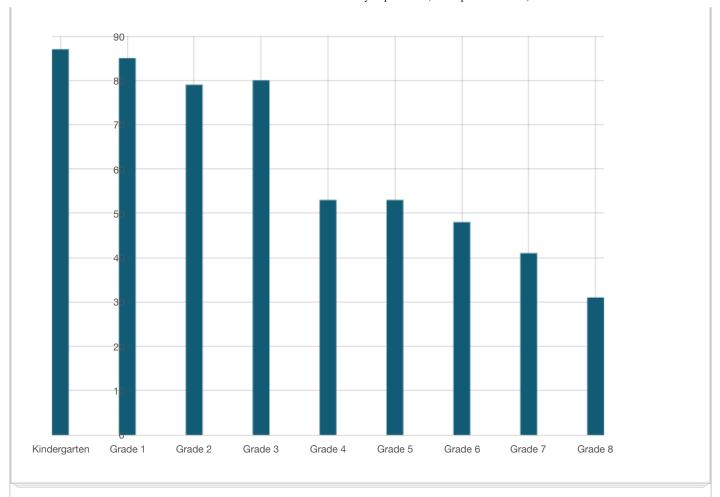

Yu Ming follows a full-immersion model of instruction. In Kindergarten to Grade 2, 90 percent of instruction is in Mandarin Chinese and 10 percent is in English. The mix changes to 70 percent Mandarin Chinese and 30 percent English in grades 3 and 4. Grades 5 and 6 have a 50-50 split in Mandarin Chinese and English. Students in grades 7 and 8 will have the option of maintaining the even split or changing to a 30/70 Mandarin Chinese/English mix.

We personalize learning for students to reach their greatest potential, foster bilingual global citizens, balance rigorous academics with social-emotional learning, and build a community that embraces diversity and values our collective humanity.

School Facility Conditions and Planned Improvements

Yu Ming Charter School operated at two different school sites during the 2020-2021 school year. The Lower School campus provided eleven classrooms along with a playground, a garden, indoor and outdoor eating space and blacktop area for our Kindergarten through second-grade students. The Upper School campus provided twelve classrooms along with blacktop area and cafeteria for our third through eighth-grade students. The school grounds, restrooms, and buildings for both sites are in good repair and well maintained. Between two day custodians and a night custodian, both campuses are fully cleaned daily. Any issues that arise during the school day are communicated to the appropriate personnel to ensure that emergency repairs are given highest priority. Additionally, our facilities committee works continuously throughout the year to ensure a clean and safe environment.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

• Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

• The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

Yu Ming recognizes that children learn best when parents are engaged in their education by understanding the school's education program, supporting learning at home and being involved in the school community. We work with families in authentic, mutually beneficial ways, and value parents as partners in the educational process, and provide families with tools and resources to support learning outside of school.

To encourage participation of parents, guardians and extended family members in all aspects of school life, Yu Ming features:

Multiple Methods of Communication: Yu Ming utilizes various methods to communicate with staff, students and parents including, but not limited to our website, weekly newsletters, weekly classroom updates, email, social media, correspondence sent home with students, parent conferences, videos, student presentations of learning, outreach

events, and other family meetings.

Family Leadership and Participation in Decision-Making: Families participate in school decision-making in a wide variety of ways. The Family Support Organization Council is led by two co-chairs that work closely with the Head of School and Principal advising on programs that impact families and is comprised of Parent Committee Leads. These committees also provide many opportunities for involvement in the life of the school community. Two members of the Board of Directors are elected by the parents and guardians of Yu Ming students. Family members with relevant experience or expertise serve as members of Board committees as determined by the Committee Chair.

Family Resource Liaison: Yu Ming provides intensive family support through a Family Resource Liaison staff member who shares school and community resources, develops workshops and guidance to help meet families' needs and enable all families to fully participate in their students' learning and academic success on a daily basis. Parents communicate with school staff via email, telephone, and in=person. Parents have access to teachers' websites and email. Our Family Liaison is Yu-Shuan Tarango-Sho and can be contacted at ysho@yumingschool.org or 510-452-2063. Opportunities to Provide Feedback: Each fall and spring, families have the opportunity to provide anonymous feedback through a school engagement survey. The survey results are reviewed by the Charter School Board of Directors, leadership team, and staff and are considered in setting school priorities.

Volunteer Opportunities: Yu Ming provides a variety of in-school and out-of-school volunteer opportunities to match with family members' different skills, interests and schedules. Examples include helping in classrooms, at lunch or around school, leading extra-curricular activities, coaching sports teams, assisting with event planning and materials preparation, attending field trips, attending FSO meetings, serving on parent committees oras room parents and fundraising or assisting with fundraising events.

School Safety Plan (School Year 2020–2021)

Yu Ming has a Comprehensive School Safety Plan in compliance with Education Code Sections 35294-35297. The plan was last reviewed, updated and approved by School Leadership Team, the Board, Family Support Organization Council (school-site council), and Law Enforcement Agency (local police department), a faculty representative and a student representative on January 2021. Our safety plan includes emergency response procedures, procedures for safe entry and exit, and incorporates our Family Handbook and Employee Handbook, which address disciplinary procedures, sexual harassment, child abuse reporting, and school dress cides. Starr are regularly trained on the Plan, including at the beginning of the school year and during subsequent school-wide drills and staff training throughout the year. All staff receive a paper copy of our Employee Handbook and receive training on relevant procedures prior to the first day of school including child-abuse reporting procedures. This preparation includes emergency drills following the identified disaster preparedness plan and designated site emergency roles. Adult supervision is provided on campus between 7:45am and 6:00pm. Students arriving to school before the start of the school day or staying after dismissal take part in our before and after school Extended Care Program. All visitors and volunteers must sign in at the main office.
